for Digital Pocket Memo
series

Pocket Memo

LFH 9120

Your comfortable workflow companion

Dock your Digital Pocket Memo for fast and easy transfer of your dictation files to your PC with the compact USB Docking Station. Just dock to connect your Digital Pocket Memo to charge the batteries and keep your device always ready for use. For hands-free dictating, place your Digital Pocket Memo in the Docking Station and record directly to your PC.

Easy file transfer

- Upload dictation files from your Digital Pocket Memo directly to a PC

Easy charging

- The Fast Recharge feature recharges the batteries in your Digital Pocket Memo while in the docking station, even when the unit is not switched on

Easy dictating

- Record dictations directly onto a PC while your Digital Pocket Memo is in the Docking Station

PHILIPS
sense and simplicity
